ESANA
Aesthetic Center and MedSpa

Late Summer 2006

In this issue:

- Laser Hair Removal
- Going to a MedSpa
- Special Offer

Greeting!

Welcome to Esana Aesthetic Center and MedSpa's premier e-newsletter issue. Our goal is to provide our clients/patients with the latest news, treatments and tips about the world of aesthetics and medical spa. Plus, we'll always include our latest promotions. See Special Offer on Laser Hair Removal Below.

Laser Hair Removal

How does it work and are you a good candidate? Tired of unwanted hair? Waxing, shaving and depilation are time consuming and expensive, and not to mention, temporary. Lifetime expenditures for these services for out-of-home laser hair reduction treatments. In a series of treatments, laser therapy can permanently reduce hair to provide a carefree, smooth skin lifestyle. Using the latest in lasers, Esana MedSpa employs cutting-edge LightSheer® Diode technology to rid you of unwanted hair.

Am I an appropriate candidate? Laser therapy can effectively reduce dark hair growth on all skin types. It is most effective on people with

Going to a MedSpa

What to Expect... Esana MedSpa's guests enjoy a relaxing experience that is both stress reducing and rejuvenating. We hope you feel at ease about your medical spa experience. To help, we've compiled the answers to some frequently asked questions. So relax and enjoy.

Who We Are: Esana MedSpa is operated by plastic surgeons, Drs. Deborah Pan and Javier Davila. The staff is comprised of professionally trained and certified medical and aesthetic specialists.

Arrival: Arrive approximately 15 minutes before your appointment. This will give you some time to settle in and complete any necessary forms. Esana MedSpa clients enjoy prompt appointments, so treatments begin and end on time.
